# Committed to holding down the cost of your family's comfort !

How do you protect you and your family from the unpredictable energy markets, by locking in the price of your heating oil **NOW** for next season. You never know what the markets are going to do or how world events or extreme weather conditions will effect energy prices. In our opinion the energy markets have bottomed out. Our buy-ahead program will protect you from fluctuating energy prices by guaranteeing you a fixed price for a fixed volume of heating oil We also take the guess work out of when to buy your oil with automatic delivery. So don't delay act **NOW!** This offer will not last long.

### Terms and Conditions

- All deliveries will be priced at **\$2.39<sup>9</sup>** gallon regardless of Tower Energy's current retail price.
- By executing this contract you are agreeing to **Automatic Delivery** beginning **September 1, 2009** and deliveries will continue on Automatic basis until revoked in writing by you.
- New customers must contact Tower Energy LLC when their tank level is at ¼ full to initiate the first delivery. All deliveries must begin no later than September 1, 2009.
- There is a 150 gallon minimum delivery on any **WILL CALL** deliveries requested. Will call deliveries under 150 gallons will be subject to a delivery charge of \$75.00.
- Oil purchased under this contract cannot be reserved for later use. This contract expires on **April 30, 2010** or upon the use of the purchased gallons. Any credit due under this contract can be applied against future deliveries at the prevailing market price. There are **NO REFUNDS** under this contract.
- Purchases made under this contract are encouraged to be based on the number of gallons required for the contract term (September 1, 2009 through April 30, 2010) Failure to use 75% of the purchased gallons will result in a 50 cents per gallon penalty on the unused gallons. This contract is not assignable.
- Tower Energy LLC reserves the right to refuse delivery if there is an outstanding balance on your account or you fail to maintain a properly vented oil storage tank.
- You agree to excuse Tower Energy, LLC for nonperformance under this contract to the extent that such failure to perform is due to an uncontrollable force. Uncontrollable forces maybe, but are not limited to; unusually severe weather conditions, acts of God, war, or terrorism, failure of public utilities, or supply constraints imposed by our suppliers.
- This offer is available while supplies last. Tower Energy, LLC reserves the right to revoke this offer at anytime.

I have read and understand the terms and conditions and certify that the information provided is complete and accurate.
